

Fig. 2

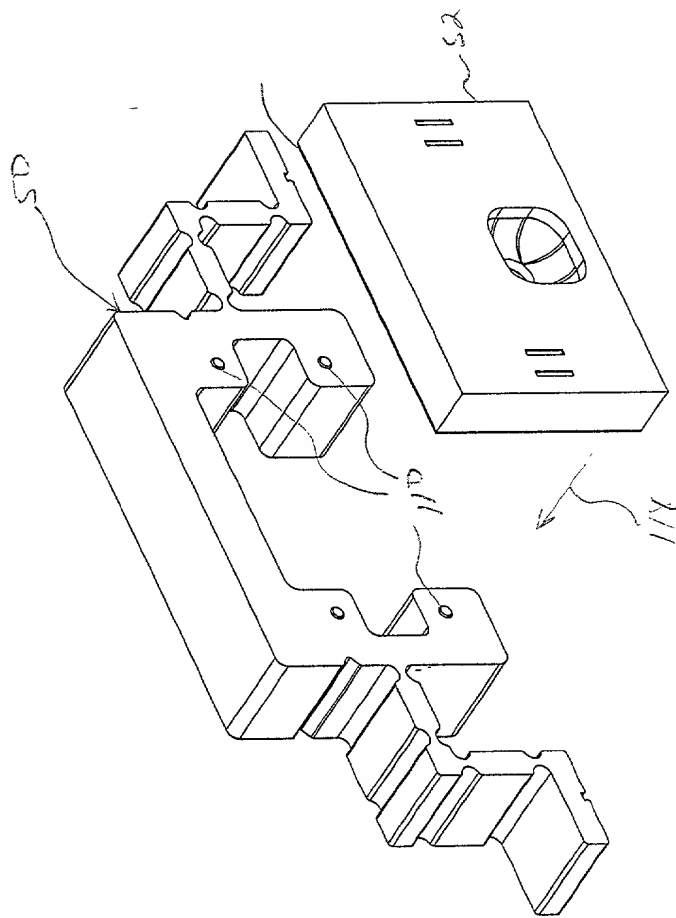

Fig. 4 A

FIG. 4B is a perspective view of the assembly 100 showing the first component 110 and the second component 120 in a disassembled state. The first component 110 includes a base 111 and a top 116. The second component 120 includes a base 121 and a top 126. The first component 110 is shown with a plurality of protrusions 112 and a plurality of recesses 113. The second component 120 is shown with a plurality of protrusions 122 and a plurality of recesses 123. The first component 110 and the second component 120 are shown in a disassembled state, with the first component 110 positioned above the second component 120. The first component 110 is shown with a plurality of protrusions 112 and a plurality of recesses 113. The second component 120 is shown with a plurality of protrusions 122 and a plurality of recesses 123. The first component 110 and the second component 120 are shown in a disassembled state, with the first component 110 positioned above the second component 120.
